To whom it may concern:

I have been associated with Mr. Neal Peacock both as a fellow teacher and as a district supervisor, since 1990. Mr. Peacock has provided training and professional development to the teachers and staff of the Emery County School District as well as to teachers throughout the State of Utah. He has used his experience inside the classroom as a master teacher as well as provided leadership training to other organizations. His experience comes from years of service as a civic and religious leader. He has provided excellent training to members of our teaching staff, both experienced and new teachers, as well as to substitute teachers.

Mr. Peacock is extremely qualified through his expertise and enthusiasm for life and learning. He is sought out and requested by many organizations to share his wealth of information and gusto for life.

I can confidently recommend Mr. Peacock as a solid and reliable presenter, and an expert in the educational field.

Yours faithfully

**Jed Jensen
Elementary Supervisor
